INDIVIDUAL MUSIC LESSONS

Internationale Musikschule Butzweilerhof

Manager: Sebastian Oetker

By playing an instrument, the child learns a craft that is also an art. Such a highly complex matter can only be mastered satisfactorily if already started in childhood and if continued support through individual lessons take place!

The experience "I can do something very special!" has an enormously positive effect on the personality development of the child! Last but not least, it is an important experience for later professional life.

In the afternoon we already offer individual lessons in the following instruments: piano, trumpet, saxophone, clarinet, flute, violin, viola, cello, drums and guitar.

New lessons in this school year:

- Piano lessons with Grigol Kobakhidze (pop, jazz, classical and film music) weekly on Mondays, Thursdays and Saturdays.
- Guitar, Bass-Guitar, Ukulele and Voice lessons with Vano Kobakhidze (Pop music) weekly on Thursdays and Saturdays.

If you are interested, also regarding other instruments, please contact us at sebastian.oetker@if-koeln.de.

Any incoming expression of interest will be placed on the waiting list first. As soon as a place is available for your child, we will contact you.
