

Information

Dear Parents,

The **Basic Box** always remains the same from 1st to 5th grade. Please make sure that you regularly check whether your child has all of the **Basic Box** materials and refill accordingly.

The additional grade-specific materials are listed in the **blue box**. We suggest buying the **personal** and **sports box** together with your child.

This list contains all the materials needed.

When moving to Grade 2, the materials marked * can be taken over from Grade 1, provided they are in good condition.
